Action Plan for IAM Leaders

Tomorrow

- *Assess*: How do you currently identify your organization's **key business priorities**?
- *Identify one friction point* you could address **to make IAM easier** for your business partners to engage with.

Next 90 days

- *Standardize*: What are some **common business requests for IAM services** in your organization that are prime candidates for **templating and standardization**?

Next 12 months

- ***Align your IAM strategy and program initiatives*** with key, shifting business priorities.
- *Measure* to determine how successfully IAM contributes to business value.
